

PARENTAL CONSENT

I agree to my son/daughter joining the Woolwich Cycling Club and taking part, at their own risk, in activities organised by the club. I am satisfied they are able to assume responsibility for their own safety.

I agree to ensure that their cycle and clothing, including helmet, is fit for purpose.

I accept that it is a requirement that they join British Cycling as Silver Members. This provides third party liability insurance and legal advice and support. (Gold membership additionally provides personal accident insurance.

I agree that information on this application form can be stored on a computer file.
